

DOSATRON®

WATER POWERED DOSING TECHNOLOGY

DOSACART

Portable Livestock Sanitizing System

The Portable Sanitizing DosaCart gives you the mobility you need to sanitize on the spot, where and when you need it.

The stainless steel cart includes:

- 15-gallon white, translucent stock container
- 10" solid rubber tires, no flats
- Only 20" wide, tire to tire
- Easy to fit into tight spots
- Balanced for easy movement
- Operates with garden hose connection

Features	Benefits
Water-powered, non-electric	Reduced energy costs
Proportional; automatically compensates for changes in water flow and pressure	Produces homogenous solutions and consistent, repeatable results
Simple to use and maintain	Less down time
Precise ratio adjuster	Controlled chemical costs with exact adjustability

IDEAL FOR:

Sanitizing • Cleaning • Disinfecting

APPLICATIONS:

- Insecticide concentrates
- Hoof sprays for parlor usage
- Vehicle disinfectant sprays
