Our new polypropylene, 40 GPM Medicator provides outstanding chemical resistance. It consistently dispenses most concentrates from 0.2% to 2% and is water-powered so no electricity is necessary.

The NEW 40 GPM features:

- Chemical resistant polypropylene housing
- Easy-to-adjust injection rates
- Easy-to-read graduated scales

The NEW 40 GPM is compatible with:

- Medications
- Water acidifiers
- Line cleaners
