Floor Scrubbing

Are your floor costs going through the roof?

If so, Dosatron’s pre-plumbed Floor Scrubbing Fill Station is the answer you have been looking for! The Floor Scrubbing Fill Station panel is designed for easy set up and will perfectly mix your chemicals without waste.

Dosatron chemical dispensers are water-powered so there is no need for electricity and they automatically compensate for changes in water flow and pressure ensuring consistent, repeatable results. The precise ratio adjuster controls your chemical costs with exact adjustability.

Dosatron’s Floor Scrubber Fill Station is:

- Easy to install, just mount the panel and connect a water line to the inlet
- Easy to adjust to the desired dilution rate
- Easy to use, grab the gas nozzle and fill the scrubber
- Time and money saving, fast filling saves labor costs
- Versatile with a variety of flow ranges from 14 GPM to 40 GPM

For more information call 1-800-523-8499 • 1-727-443-5404 or visit www.dosatronusa.com
