Irrigation

Fertilizer Injectors

With Dosatron, your plants get the right amount of nutrients every time. Dosatron fertilizer injectors are water-powered so no electricity is necessary and they compensate for flow and pressure changes providing consistent, repeatable results. Dosatrons are simple to use and easy to adjust allowing for flexible dosage rates, and they are easy to maintain saving you time and effort.

Our injectors are great for:

• Fertilizers
• Insecticides
• Fungicides
• Algicides
• Acids
• Wetting Agents
• Disinfectants
• Compost Tea
• Hydroponics
