Mini Maintenance Kits

For Fertilizer Injectors

The Mini Maintenance Kits are the perfect, economical solution for Dosatron users and growers who perform maintenance on a regular schedule. They can be used as often as necessary to ensure that your Dosatron injects accurately and runs smoothly.

The Mini Maintenance Kits are available for the 11, 14, 20, 40, and 100 GPM injectors.

The kits include:

- Wear parts
- Dosa-Lube packet

**Dosa-Lube Packet:**
Designed to easily lubricate your static seals and o-rings while you are changing the wear parts.

To learn more about the Mini Maintenance Kits call 1-800-523-8499 • 1-727-443-5404 or visit www.dosatronusa.com
