

DOSATRON®

WATER POWERED DOSING TECHNOLOGY

Beer Line Cleaning

Sanitation Center

The Dosatron Beer Line Cleaning Sanitation Center provides you optimum cleaning of your beer lines. It maintains installation cleanliness and preserves the quality of your beer when served.

Another benefit is that Dosatron chemical dispensers are water-powered so no electricity is necessary and they automatically compensate for flow and pressure changes providing consistent, repeatable results. The Dosatron Beer Line Cleaning Sanitation Center helps to improve beer quality, lower costs, and there is less beer waste.

The Dosatron Beer Line Cleaning Center Provides:

- Simplified installation and maintenance
- Precise and controlled proportioning, saving you product and reduces your servicing costs
- Time savings
- No more handling of chemical products
- Simplified rinsing and dosing cycles
